CONCORD BAPTIST ASSOCIATION ANNUAL MEETING

October 17, 2011

Session One – 5:30 PM

Executive Committee Report

Dan Parker, Moderator

We have begun our 201st year as Baptist, known as Concord Baptist, ministering in Middle Tennessee. What a great heritage and what a great future we have together!

As I think of our association of Baptist I am reminded of Paul's vision recorded in Acts 16:9 (NIV) "The apostle Paul heard the call, 'Come over to Macedonia and help us.' Paul departed for Macedonia to preach the gospel to them." Paul also encouraged the Corinthian believers with these words, "We are laborers together with God..." 1 Corinthians 3:9 (KJ) It would be great if Concord Baptist would be known as was spoken of the Macedonian believers. "Out of the most severe trial, their overflowing joy and their extreme poverty welled up in rich generosity. For I testify that they gave as much as they were able, and even beyond their ability. Entirely on their own they urgently pleaded with us for the privilege of sharing in this service to the saints. And they did not do as we expected, but they gave themselves first to the Lord and then to us in keeping with God's will." 2 Corinthians 8:2-5

We can celebrate our rich heritage as Concord Baptist but allow me to encourage you to dedicate yourself first to the Lord and generously get involved in your association. We can work together to make it a great ministry to our churches and to our community. Baptist work best when we work together!

Thank you for the privilege to work with you as your moderator.

Director of Missions Report

J. David Pittman

What a great year it has been in the life of the Concord Baptist Association. As we enter our second century of existence the one word that best describes our situation is change. We have experienced change in most every area of our work together. It has been said before that the only person that likes change is a baby with a messy diaper. Whether we like change or not it is a present day reality in our association and in our churches. So instead of fighting the changes we just deal with them as best we can and move on with our task fulfilling the Great Commission.

We sure are enjoying our new building! As we continue to use these lovely facilities the wisdom and foresight involved in the planning and construction of this building becomes more evident every day. In every way we are finding that the building is extremely functional. To God be the glory for the great things He has done!

There has been a great deal of changes in our associational staff. We went for many years with no changes but during the last couple of years we have experienced changes. As most of you know for over thirty years Brenda Hopper was a faithful presence here. She worked with three Directors of Missions and provided excellent assistance to each one. Upon her retirement we called Kerri Logan who remained with us for a while until she found other employment that better suited her family's needs. We next turned to Traci Byers to be our Administrative Assistant. Her pleasant presence has been most appreciated by all. We are most appreciative of each of our staff members who have been here during the year.

With the departure of Tim Fisher from our staff a noticeable void was made. We all miss his presence and positive attitude about things. He was and is a pleasant person to be around. But we also missed the work he did during his tenure on our staff. Volunteers have stepped up to help us in couple of areas. Brenda Sledge filled in conducting our Bible Drills for the association. She and a team of volunteers conducted this year's drills and did a fabulous job in every way. Mister excitement, Larry Montgomery, helped with Vacation Bible School. We had two excellent training events for vacation Bible School leaders in our churches. Due to budget concerns we were forced to not employ summer missionaries this year but we are working on fulfilling this need with volunteers next year. Whenever we get this worked out we will let you know.

The Concord Baptist Association Mission/Ministry Fund has continued to be a tremendous asset to our churches. These funds have assisted churches in their mission to put Jesus before the people of the world. In the 2011 calendar year 13 churches have utilized \$28,800 of Mission/Ministry Funds joined with matching funds from their church to complete 19 separate mission projects.

These Projects have ranged from local to around the world. Our churches are taking serious the task of reaching out with the love of God to reach as many people as we can with the Gospel message.

I continue to gain strength on a regular basis. I go to my oncologist and nephrologists on a regular basis to get updates on how I am doing. They tell me my cancer continues to be inactive and not showing any signs of becoming active again. My kidneys, which were damaged as a result of the cancer, have stabilized. I praise God for everyday of life!

I am grateful to God for the people in this association. You have gone over and above in demonstrating your love and acceptance of me and my family. Your prayers for my health are greatly appreciated. I am firmly convinced they are the reason I am still here.

As we enter our third century of work together may we continue to look to God for His guidance and leadership in everything that we do. He has taken us this far and there is no reason to think that He will not continue to lead. All we have to do is remain humble and seek His face. If we do this our future will be just as glorious as the last two hundred and one years.

MTSU Baptist Collegiate Ministries 2010-2011 School Year Report

Glenn Wallace

2010-11 School Year - Weekly ministries

- Gathering – Thursdays, 7:00 pm. Worship and Bible study. Average of 55 per week.
- Noonday – Wednesdays, 11:30 am. Luncheon with food provided by local churches. Proceeds go to our BCM Student Missions Fund. Average of 60 per week.
- Leadership Team Meetings – Mondays, 11:30 am. We had 13 students serve on our leadership team last year.
- Serve Team - Met every other week for the Fall and Spring semester. The purpose for this team is for leadership training in an effort to develop future leaders for the ministry. We had an average of 22 at each meeting.

Ministry Highlights

This year, we changed the focus of Noonday Lunch by taking a strong outreach approach. We no longer have a devotional time which seem to be distracting for non-church students. Instead, we focus on relationships and conversations at the tables. We have seen a lot of students return on a weekly basis.

- Outreach through Intramural sports! One focus for our ministry this past year was to use sports to meet and build relationships with students on campus.
- The BCM partnered with two other campus ministries in the annual Thanksgiving Dinner for International Students. Over 120 students came for a traditional American meal and program.
- Our BCM took offered one short-term mission trip and several local missions opportunities this year for students. For Spring Break, we partnered with the college ministry from Belle Aire Baptist. Together we took a team of nineteen to serve in Haiti with SMI ministries. We served in a local orphanage, worked with children, and light construction. Over the school year, BCM worked with several local ministries on Saturdays.
- Throughout the school year, BCM students raised over \$4,000.00 for Missions. This will go to support the TBC Collegiate Missions Program sending TN students across the globe for missions.
- Twelve BCM students were involved in ministry this summer through TBC Collegiate Summer Missions, Christian camps, and church staffs.

- Also during the summer, our BCM participated in the 10 Orientations at MTSU for new students, welcoming students and sharing about the opportunities available through BCM.

Our ministry to students at MTSU is growing! We could not do what we do without the support and partnership of our local churches. Thank you so much for partnering with us as we invest in the lives of college students and for giving to our ministry through the Concord Baptist Association and the Cooperative Program.
