## **Executive Committee Report**

Dan Parker, Moderator

As we meet tonight, we continue the rich heritage of 202 years of working together as Baptist here in Middle Tennessee. Truly God is at work in our churches of the Concord Baptist Association.

As we face the future together, I want to remind you of the apostle Paul’s admonition to the church at Colosse. “Devote yourselves to prayer being watchful and thankful... Pray that God will open a door for our message, so we may proclaim the mystery of Christ... Pray that I may proclaim it clearly... (Pray) that we may make the most of every opportunity...” Colossians 4:2-5

Our world desperately needs to know our Savior and Lord, Jesus Christ! As Concord Baptist let us celebrate our past and pray that God will lead us to impact our world, our culture, and our communities with the gospel of Jesus Christ.

Thank you for the privilege to serve as your moderator for the past two years.

## **Director of Missions Report**

J. David Pittman

The old saying goes, “Time flies by when you are having a good time.” If this is correct then I am having the time of my life! It is hard to believe but this year marks my tenth year I have had the privilege of serving as your Director of Missions. I can honestly say that these years contain the best years of ministry in my life. I thank God for them and praise Him for bringing me here. Mixed in with these wonderful years of ministry are the most challenging times of my life when it comes to my health. Into every life a little rain must fall. But, I can honestly say that these ten years have been a wonderful experience.

I am grateful to the people in the association. For about one half of my tenure here I have been dealing with cancer. This has taken a great deal of time and energy. This foe has been extremely challenging but God has been faithful to walk through the valley of the shadow of death with me. Also, this association has been most gracious in your dealings with me and my family with the limitations this disease has caused. Your demonstration of love and acceptance of my health challenges is greatly appreciated. I thank you for this.

The Concord Baptist Association Mission Ministry/Ministry Fund continues to be a welcome asset to our churches. To date we have invested almost \$83,000 toward mission projects reaching from our community to around the world. Our churches are taking seriously the task of taking the name of Jesus to the people of the world. We praise God for the vision that He gave us years ago and renew our commitment to following through with it. To God be the glory for the things that He has done!

Two selected highlights of our assistance to our churches this year are leading three Vacation Bible School Training events and conducting Associational Children’s Bible Drill. We held these and other training events to assist our churches in their ministry. Larry Montgomery of Scenic Drive Baptist Church and Jason Smith of Living Springs Baptist Church headed up the Vacation Bible School team. The Children’s Bible school team was led by Brenda Sledge of Riverdale Baptist Church.

We held weekly prayer and fellowship meetings for pastors that are held in local churches. These meetings provide fellowship and strong spiritual support for fellow pastors. Raymond Hartman of Life Point Baptist Church has headed up these meetings for several years.

Something new for this year are fellowship meetings for ministers wives. This group is growing under the very capable leadership of Traci Byers, our Administrative Assistant. This group provides help and support for pastor’s wives.

As we continue our third century of work together it is my prayer may we look to God for His guidance and leadership in everything that we do together. He has taken us this far and there is no reason to think that He will not continue to lead. All we have to do is remain humble and seek His face. If we do this our future will be just as glorious as the last two hundred and two years.

## **2011-2012 School Year Report**

*Glenn Wallace*

### **2011-12 School Year - Weekly ministries**

- Gathering – Thursdays, 7:00 pm. Worship and Bible study. Average of 65 per week.
- Noonday – Wednesdays, 11:30 am. Luncheon with food provided by local churches. Proceeds go to our BCM Student Missions Fund. Average of 60 per week.
- Leadership Team Meetings – Team leaders met on Mondays at 11:30 am. Each team leader met with their team at various times throughout the week. The whole leadership team met on a monthly basis. We had 26 students serve on our leadership team last year.
- Serve Team - Met every other Monday night for the Fall and Spring semester. The purpose for this team is for leadership training in an effort to develop future leaders for the ministry. We had an average of 16 at each meeting.

### **Ministry Highlights**

- Our BCM offered one short-term mission trip and several local missions opportunities this year for students. For Spring Break, we took a team of seventeen students to Panama City for Beach Reach, an evangelistic outreach sponsored by Lifeway. Over the school year, BCM worked with several local ministries on Saturdays.
- We continued the focus of Noonday Lunch as a strong outreach approach. Relationships and conversations at the tables are essential to building new relationships with students. Noonday is a great environment for un-churched/lost students to begin.
- Throughout the school year, BCM students raised over \$4,500.00 for Missions. This will go to support the TBC Collegiate Missions Program sending Tennessee students across the globe for missions.
- Outreach through Intramural sports! One focus for our ministry this past year was to use sports to meet and build relationships with students on campus.
- The BCM partnered with two other campus ministries in the annual Thanksgiving Dinner for International Students. Over 150 students came for a traditional American meal and program.
- 8 BCM students were involved in ministry this summer through TBC Collegiate Summer Missions, Christian camps, and church staffs.
- Also during the summer, our BCM participated in the 10 Orientations at MTSU for new students, welcoming students and sharing about the opportunities available through BCM.

Thank you so much for partnering with us as we invest in the lives of college students and for giving to our ministry through the Concord Baptist Association and the Cooperative Program. We could not do what we do without the support and partnership of our local churches. Please continue to pray for us as we seek to reach the students of Middle Tennessee State University.
