## **Executive Committee Report**

Rev. Ron Byers, Moderator

As Moderator, I would like to share some very encouraging facts about our Concord Association. First of all, when the DOM Search Committee sent out surveys for input on attributes for the man we should seek, the response was quite strong to keep our focus on unity among our churches and on efforts to reach the lost. I am encouraged that our Association deems these to be top priorities. Secondly, when the DOM Search Committee met with Gary Rickman for his advice, he made it quite clear that Concord was one of the most desirable associations for a DOM to come to. It is a blessing to know that we have such "prime potential." And lastly, I am encouraged by the fact that so many have expressed their prayers for our committee as we have gone through this process. May we continue to pray together, work together, and praise together for God's glory! Like Joshua, let's be strong and of good courage!

## **Interim Director of Missions Report**

Rev. Leonard Rader

As we close the books on another associational year, I am pleased to report that our association remains strong. God is doing amazing things in the lives of individuals and in our community. The Great Commission is being lived out among the churches of our association. This past year, our churches shared the gospel in Canada, Haiti, Nicaragua, Chile, Jamaica, Guatemala, Brussels Belgium and Bangkok Thailand. Locally, our churches participated in mission activities in Florida, Kentucky, Louisiana, South Dakota, Mississippi, Ohio and Alaska. And, of course, there are continuing mission ministry projects here at home. This past year our association was able to honor twenty one requests for mission assistance from the Missions Ministry Assistance Fund. In just four years this fund has generated over \$113,000.00 that has been given back to our churches for mission projects.

During this past year we have seen improvement in our local economy which is good news for families and for churches. Rutherford County is recognized as being one of the top counties in the nation to live, work and raise a family. Companies like Amazon and Nissan are expanding and hiring thousands of workers. With a county wide population approaching 300,000, the fields truly are white unto harvest. At the present rate of growth, Rutherford County will reach 500,000 by the year 2030. Our association will need to almost double just to maintain status quo. The challenge before us can only be met by a cooperative effort. The vision statement for our association is to “Develop and maintain healthy churches while starting new churches.” God has certainly blessed us with opportunity. I pray that he will also bless us with wisdom as we focus on the future.

This past year has not been without sorrow. On May 12<sup>th</sup>, Bro. David Pittman lost his battle with cancer. While we celebrated his homegoing, we grieved our loss, and we joined with the Pittman family for a period of mourning. Ten years ago Bro. David cast a new vision for our association, and he faithfully led us on a journey toward that vision. These past ten years of change and transition under his leadership has prepared us well for the future. To God be the glory!

These past few months as your interim director have served to reaffirm what I have known all along. This is a great association made up of diverse churches filled with wonderful people. I pray that we will always strive to focus on, and celebrate the things that unite us. We work best when we work together. I truly believe that our best days are before us.

I wish you blessings for a bright tomorrow.

Respectfully Submitted,  
Leonard Rader, Interim DOM

**MTSU Baptist Collegiate Ministries**  
**2012-2013 School Year Report**  
*Glenn Wallace*

**2012-13 School Year - Weekly ministries**

- Gathering – Thursdays, 7:00 pm. Worship and Bible study. Average of 65 per week.
- Noonday – Wednesdays, 11:30 am. Luncheon with food provided by local churches. Proceeds go to our BCM Student Missions Fund. Average of 55 per week.
- Leadership Team Meetings – Team leaders met on Mondays at 11:30 am. Each team leader met with their team at various times throughout the week. The whole leadership team met on a monthly basis. We had 19 students serve on our leadership team last year.
- Serve Team - Met every other Monday night for the Fall and Spring semester. The purpose for this team is for leadership training in an effort to develop future leaders for the ministry. We had an average of 12 at each meeting.

**Ministry Highlights**

- Our BCM offered one short-term mission trip and several local missions opportunities this year for students. For Fall Break, we took a team of 20 to Memphis to work with International Baptist Church in an impoverished apartment complex. We spent the morning doing cleanup and the afternoon providing activities for the children. For Spring Break, we took a team of 30 students to Panama City for Beach Reach, an evangelistic outreach sponsored by Lifeway. Over the school year, BCM worked with local ministries on Saturdays and provided a meal each semester for the Journey Home.
- We continued the focus of Noonday Lunch as a strong outreach approach. Relationships and conversations at the tables are essential to building new relationships with students. Noonday is a great environment for un-churched/lost students to begin.
- Throughout the school year, BCM students raised over \$4,000.00 for Missions. This will go to support the TBC Collegiate Missions Program sending Tennessee students across the globe for missions.
- The BCM partnered with two other campus ministries in the annual Thanksgiving Dinner for International Students. Over 150 students came for a traditional American meal and program.
- During the summer, our BCM participated in the 10 Orientations at MTSU for new students, welcoming students and sharing about the opportunities available through BCM.
- Through our students intentional investing in their campus, 3 students accepted Christ.

Thank you so much for partnering with us as we invest in the lives of college students and for giving to our ministry through the Concord Baptist Association and the Cooperative Program. We could not do what we do without the support and partnership of our local churches. Please continue to pray for us as we seek to reach the students of Middle Tennessee State University.
