Executive Committee Report

Rev. Ron Byers, Moderator

This is an exciting time for Concord Baptist Association! Momentum is building and excitement is growing in our family of churches. As we look back at the past year, we should express grateful hearts for many wonderful blessings. We are thankful for the leadership of Leonard Rader as he served as Interim Director of Missions. He planted some very important seeds in areas of outreach, productivity, and organization. Our new DOM Kevin Minchey has “hit the ground running” and has visited many churches, met with prospective new starts, already served on a missions trip, and presented a clear vision for future growth for God’s Kingdom and an impact on the lostness of our community and the world. There is an increasing spirit of unity, cooperation, and zeal for accomplishing God’s plan for our Association. May we continue on this path of serving together to fulfill our Heavenly calling!

Director of Missions Report

Dr. Kevin Minchey

2014 has been a year of transition for my family and me. As you know, I began my ministry as your Director of Missions in April of this year. Concord Baptist Association and Rutherford County is, in a sense, my spiritual home. I first came to this area as a college student in 1985. Halfway into my first semester I began to pray about God’s will for my life and He clearly and unmistakably called me into the Gospel ministry. In 1999 Laura & I were praying about Missions. The Lord led us back to Rutherford County from 2000-2005 I served as church planter/pastor. After serving 9 years away the Lord opened the door for me to return to Concord Baptist Association as Director of Missions and I can honestly say I love the area, the churches, and the people of Concord Baptist Association and Rutherford County. It is a privilege to serve the Lord in this capacity.

Since my arrival, I have simply responded to invitations from pastors to be a guest at their church. I have been greatly encouraged by this demonstration of love and appreciation. By simply responding to invitations to be in the service or to preach, I have fill all but two Sunday’s since my tenure began and one of those Sundays was a planned vacation away from the area. Needless to say, I have found each church warm and hospitable. There is a missionary zeal and desire to do the Lord’s work in each church. I have observed that every congregation, regardless of size or location, is doing at least one thing uniquely well. In this I find the beauty of the Baptist associational model. If we can learn from each other, and encourage each other we will have a better chance of reaching the lost in our area.

Most of you do not need a rundown of statistics from me. However, I do want to simply remind us all that the growth of our population continues to outpace the growth of our churches. According to city-data.com 68,519 people out of the 274,454 (2012) Rutherford County residents attend church. Across America, 50.2% of the U.S. population attends church so our county is quickly joining the ranks of the unchurched cities outside the bible belt. Allow me to briefly illustrate how Rutherford County ranks in comparison to other counties often considered “unchurched”:

Boulder County, Boulder, Colorado	47.2% attend church
King County, Seattle, Washington	37.3% attend church
Cumberland County, Portland Maine	40.4% attend church
Wayne County, Detroit, Michigan:	37.7% attend church
Miami-Dade County, Miami, Florida:	39.63% attend church
Rutherford County, Tennessee	37.64% attend church
[www.city-data.com retrieved 10-14-2014]	

It is fair to say the Bible belt has come unbuckled in middle Tennessee. This reality will require Concord Baptist Association churches to begin new works as well as to revitalize churches interested in breaking out of a plateaued or declining condition. I am especially enthusiastic about our denominations increased focus upon church revitalization. I will be attending a conference in November and again in March related to this topic.

As best as I can tell I have driven no less than 2,202 miles as of early October. In addition to driving, I traveled by airplane 1345 miles from to Jamaica for a mission trip and 703 miles to Baltimore MD to attend the Southern Baptist Convention.

I look forward to beginning a new year and working to do my part to encourage, support, and assist our churches as we all work together to make disciples in Rutherford County. As our Lord said in Matthew 9:37-38 *“The harvest truly is plenteous, but the laborers are few; Pray ye therefore the Lord of the harvest, that He will send forth laborers into His harvest.”*

MTSU Baptist Collegiate Ministries

2013-2014 School Year Report

Glenn Wallace

2013-14 School Year - Weekly ministries

- Gathering – Thursdays, 7:00 pm. Worship and Bible study. Average of 65 per week.
- Noonday – Wednesdays, 11:30 am. Luncheon with food provided by local churches. Proceeds go to our BCM Student Missions Fund. Average of 60 per week in the Fall and 45 in the Spring.
- Leadership Team Meetings – Leadership Team met on a weekly basis on Sunday nights at 8 p.m. Each team leader met with their team at various times throughout the week. We had 22 students serve on our leadership team last year.
- Serve Team - Met every other Monday night for the Fall and every Tuesday night for the Spring semester. The purpose for this team is for leadership training in an effort to develop future leaders for the ministry. We had an average of 10 at each meeting.
- Small Groups – Small groups Bible studies met on a weekly basis on various days and at various times. Throughout the year, we averaged around 40 students involved in small groups.

Ministry Highlights

- During the Fall semester, three students were baptized in local churches. Two were current Christians following in obedience. The other was a new believer.
- Our BCM offered one short-term mission trip and several local missions opportunities this year for students. For Spring Break, we took a team of 25 students to Panama City for Beach Reach, an evangelistic outreach sponsored by Lifeway. Over the school year, BCM worked with local ministries on Saturdays and provided a meal each semester for the Journey Home.
- We continued the focus of Noonday Lunch as a strong outreach approach. Relationships and conversations at the tables are essential to building new relationships with students.
- Throughout the school year, BCM students raised over \$4,000.00 for Missions. This will go to support the TBC Collegiate Missions Program sending Tennessee students across the globe for missions.
- The BCM partnered with two other campus ministries in the annual Thanksgiving Dinner for International Students. Over 150 students came for a traditional American meal and program.
- During the summer, 12 of our students served in ministry positions through various entities, i.e. ministry camps as counselors, short-term missions, and ministry internships. Our BCM also participated in the 10 Orientations at MTSU for new students, welcoming students and sharing about the opportunities available through BCM.

Thank you so much for partnering with us as we invest in the lives of college students and for giving to our ministry through the Concord Baptist Association and the Cooperative Program. We could not do what we do without the support and partnership of our local churches. Please continue to pray for us as we seek to reach the students of Middle Tennessee State University.
