Executive Committee Report

Rev. Ron Byers, Moderator

I would like to use my Moderator's Report to give a testimony of what the Concord Association means to me. I have been part of this association for seventeen years. I am thankful for the friendships I have enjoyed with fellow Pastors. I appreciate the wisdom I have gleaned from others who have been so willing to give helpful counsel. I am thankful for the opportunity for my wife Traci and I to serve in a church in this association. Our children have grown up benefiting from VBS, RAs, GAs, youth activities, and great conferences. I thank the Lord for the Directors of Missions we have served with. It has been a blessing to have someone fulfill the role of a pastor to me while I have been serving as a pastor. I greatly appreciate the fellowship of Pastor's Breakfasts, Senior Outings, Executive Meetings, and other conferences together. I believe the verse that best describes my feelings toward Concord Baptist Association is Psalm 34:3, "O magnify the Lord with me, and let us exalt His name together!" May God continue to bless Concord!

Director of Missions Report

Dr. Kevin Minchey

While writing my initial Director of Missions report, I had been on the job for just a few months. Having served an entire year now from one annual meeting to the next I feel somewhat more comfortable discussing my role. One of the biggest adjustments I have had to make as I transitioned from senior pastor of a local church to director of missions for over 60 churches is moving from leadership to serving/equipping. While some say I am a leader of the Association, the association is a collection of autonomous churches. Each church has its own vision and plan for doing missions and ministry. I find I do not lend leadership as each church has a capable pastor to lead them. My role is to come alongside the pastor, staff or lay leaders of each church and pray for, encourage and equip them to fulfill their purpose and achieve their goals. Every so often I am able to suggest a mission trip or ministry idea, but for the most part I seek to be the pastor's friend and a resource person for the church.

I am thankful to have had the honor of preaching several revivals as well as filling the pulpit several times each month in churches throughout our Association as I have been invited. When I have a Sunday off I try to visit churches requesting help or simply my presence for a special event. I wish everyone could see the Concord Baptist Association from my vantage point. Most of us rarely get a chance to visit more than a few churches. As I have visited most of ours, I am overwhelmed by the hospitality, love for Jesus, passion for missions and evangelism, and sweet fellowship I encounter from church to church.

Since our last meeting, I have been out of the country several times. In May I took four pastors with me to Guatemala to lead in a pastor's and pastor's wives conference organized by the Guatemala Baptist Convention and the International Mission Board missionaries in Guatemala City. The organizers felt the conference as a great success and I have been asked to bring a team of pastors again in 2016.

In August I traveled to the northeastern portion of Italy to explore opportunities for Concord Baptist Association churches to partner with International Mission Board missionary Charlie Worthy in developing an evangelism/church planting strategy for this largely unengaged part of Italy. Italy is the Southern Baptist Convention's third oldest mission field (150 years) behind China and India. Three (3%) to ten (10%) percent of the population in Northern Italy attend the Roman Catholic church on a regular basis and the remaining 90-97% live among no evangelical witness to the Gospel. We toured four provinces (like our states), Udine, Trieste, Gorizia, and Pordenone.

I am thankful to Northside Baptist Church for a great job organizing & hosting our Associational Sunday School Training Conference and to Mission Point Church for hosting a Bible Prophecy Conference. Both conferences were well attended.

We have seen two congregational identity changes occur this year. Scenic Drive Baptist voted to gift their property to the Arabic Baptist Church of Murfreesboro. Unity Baptist also voted to merge into New Vision Baptist Church and relinquish ownership of their property. The merger between New Vision and Unity is still in the works and it is the prayer of New Vision that as many as like will remain with the Unity congregation when they officially launch as New Vision's second campus in early 2016.

As best as I can tell, I traveled 3,135.56 by car and 14,937.13 by air for a grand total of 18,072.69 miles. That may be a record, but I'm not interested enough to research it. My prayer is that my travels both near and far will result in kingdom growth in Rutherford County and around the world.

MTSU Baptist Collegiate Ministries

2014-2015 School Year Report

Glenn Wallace

2014-15 School Year - Weekly ministries

- Gathering – Thursdays, 7:00 pm. Worship and Bible study. Average of 55 per week.
- Noonday – Wednesdays, 11:30 am. Luncheon with food provided by local churches. Proceeds go to our BCM Student Missions Fund. Average of 50 per week in the Fall and 45 in the Spring.
- Leadership Team Meetings – Leadership Team met on a weekly basis on Sunday nights at 8 p.m. Each team leader met with their team at various times throughout the week. We had 24 students serve on our leadership team last year.
- Serve Team - Met every other Monday night for the Fall and every Tuesday night for the Spring semester. The purpose for this team is for leadership training in an effort to develop future leaders for the ministry. We had an average of 10 at each meeting.
- Small Groups – We had 12 Life transformation groups meeting on a weekly basis on various days and at various times. Each group had 3-4 students each.

Ministry Highlights.

- Our BCM offered two short-term mission trip and several local missions opportunities this year for students. For Spring Break, we took a team of 18 students to Panama City for Beach Reach, an evangelistic outreach sponsored by Lifeway. In May, 8 students and myself traveled to Panama City, Panama to work with IMB missionaries. While in country, we traveled to a remote Embera village where we recorded hymns and praise songs in the Embera language. These songs will be digitally reproduced and taken to other unreached Embera villages to help spread the Gospel.
- We continued the focus of Noonday Lunch as a strong outreach approach. Relationships and conversations at the tables are essential to building new relationships with students.
- Throughout the school year, BCM students raised over \$3,976.63 for Missions. This will go to support the TBC Collegiate Missions Program sending Tennessee students across the globe for missions.
- The BCM partnered with two other campus ministries in the annual Thanksgiving Dinner for International Students. Over 150 students came for a traditional American meal and program.
- During the summer, 15 of our students served in ministry positions through various entities, i.e. ministry camps as counselors, short-term missions, and ministry internships. Our BCM also participated in the 10 Orientations at MTSU for new students, welcoming students and sharing about the opportunities available through BCM.

Thank you so much for partnering with us as we invest in the lives of college students and for giving to our ministry through the Concord Baptist Association and the Cooperative Program. We could not do what we do without the support and partnership of our local churches. Please continue to pray for us as we seek to reach the students of Middle Tennessee State University.
