Bro. Pittman,

I wanted to write and give you a report of our recent Youth Mission Trip. We had a fantastic trip & saw the Lord move in a very powerful way! We went to minister to a Calvary Baptist Church in Decatur, IL. We did VBS in the morning, gave out copies of the Bible throughout the neighborhood in the afternoon & led revival services in the evening. We also had a big family/community night event Thursday night. We took 10 teenagers & 5 adults on the trip.

Our teenagers led all the VBS classes, Each one of them also shared their personal testimony during revival...along with leading through worship, special music & drama skits. We had a total of 8 children pray to accept Christ through VBS! Our revival was also successful. The church & our group truly were revived by the Lord! Probably my favorite thing that happened on the trip was that in the process of getting their personal testimony together, 2 of our teenagers realized they didn't have a personal testimony because they had never been saved! So they both prayed to accept Christ in the hotel lobby! It was an amazing trip all around & it's done great things for the Calvary Baptist Church in Decatur & for our youth group here!

Thank you for all of your financial support & prayers! Without the support we wouldn't have been able to make this happen!

In Him,
Micah Creekmore
