Alpha Omega College Ministry
2014 Spring Break Mission Trip Report

Alpha Omega College Ministry took 20 participants to the Dominican Republic in March 2014. While there, we assisted Go MAD Ministry in a variety of ways. First, and most pressing, we built a playground for their school/clinic. By building this playground, the children will have a place to play during their recess. Second, we prayer-walked the area and some students were able to share the Gospel with some of the people on the beach. Third, we ministered to local Haitian communities through sports, games, and other activities. Our students enjoyed the trip and left with a better realization of the global human trafficking epidemic. Our plan is to return every spring break and continue in the partnership with Go MAD Ministry as they combat human trafficking and all of the atrocities found within that. Thank you for your continual support, whether financial, prayer, or otherwise.
