

# THE ORCHARD

To: The Concord Baptist Association

Group: The college and young adults of Northside Baptist Church

Trip: Bog Walk, Jamaica

I'm writing to let you know that the support you gave our ministry and our projects in Jamaica possible. We could not have done all the things we did, without your gift. We had 26 missionaries (primarily college and young adults) who went to serve with a Baptist pastor in the interior mountainous region of Jamaica.

You must know that this list barely touches all that this group accomplished. I just wanted to take the time to give you personal thanks and give you some idea of the mission efforts in which you made an investment. Please pray for Jamaica and for the seeds sown. Our group came back changed, with a greater passion for people and a greater passion for missions. I thank God for this group of young adults, and I thank God for you.

- We conducted over 20 preaching and revival worship services.
  - Our preachers preached.
  - Our worship leaders and group sang and played instruments.
  - All 26 of our missionaries gave their personal testimonies.
  - By the Jamaican pastor's report, 15 different individuals made professions of faith.
- We conducted Vacation Bible School
  - Two separate VBS locations were set up.
  - There were over 250 children enrolled.
  - There was a daily average attendance of 220 to 230 children and youth.
- We conducted several construction projects.
  - The team worked at three separate Baptist churches. They totally repaired and renovated playground equipment at a Christian preschool.
  - They completely painted the exterior of one church buildings.
  - Built a small house for one of the deacons and his family.

With genuine gratitude,

Jason Polk

College and Young Adult Minister

Northside Baptist Church and The Orchard
