Describe the work/ministry that was accomplished by the ministry team.

Our group engaged with teens and children in various ministries. Our team had intentional gospel ~~and~~ conversations. We also had a time for lessons in Acts. We had a time to give school supplies to those we were ministering to all week. We did block parties, crafts, and other fun activities as well.

What advice would you give to other churches who may be considering a similar mission project?

Pray, Pray, Pray! Plan, Plan, Plan.

Know your lessons well. Use your testimony.  
Love on the people and get to know them.
