

Parkway Baptist Church

Beth Tucker, Minister of Children & Education

July 19-24, 2015

Johnson City, Tennessee

Team of 20, 5 first time Missionaries

While in Johnson City our team was about to reach out to the surrounding community. We did many prayer walks and daily had Bible study in local parks with children. We also were able to go door to door and pray with those in the community. The team grew in many ways. We took many teenagers who were able to share their faith in new ways. During the backyard Bible clubs our youth were able to lead and teach the children. It was a great week where all team members used their own special gifts to serve the Lord. Thank you for your continued support. During our last night in the park, many children came to know the Lord. The week was a very successful trip. Many lives were changed.

If other churches are looking for a mission trip like this I would encourage the teams to meet together often before the trip. We planned for many months previous to the trip. We were ready for anything that came our way. Planning is essential to having a trip go smoothly. There were a few bumps along the way but through planning we were able to recover quickly.
