Re: Fed's Creek Kentucky Mission Trip

Dear Dr. Minchey,

Here is a review of our last mission trip to Fed's Creek, Kentucky in July of this year. We had a total of 11 members go this last trip to repair and replace the floor in God's Closet. God's closet is a ministry of Fed's Creek Baptist church which gives food, clothing, books of faith to help lead people to Christ or have a closer walk with Him. This trip we took clothing/shoes and school supplies for children in preparing them for the new school year.

Below is a list of the approximate amount we spent for this trip.

Travel expenses: \$383.12 (lodging, food and fuel expense)

Devotional Books: \$258.99

Flooring for God's Closet: \$1,051.66

Closet Rods: \$230.78

School Supplies: \$1,639.56

Clothing: \$400.00

Total spent on this trip: \$3,961.11

We couldn't have done it without the contribution from Concord Association, so please accept our thanks with grateful hearts for helping us carry the love of Jesus to these precious people of Fed's Creek, Ky. Fed's Creek which is in Pike County, is the poorest county in Kentucky and the 16th in America.

So, again, thank you!
