What type of work and ministry did you do: **We conducted a 5 day VBS. We averaged about 35 children a day. We used the Mt. Everest theme. We had ages 3 thru 12. We also conducted a block party with over 200 in attendance. Food, games, music, inflatables, magic and a presentation of the Gospel. We did maintenance on their building, electrical work, cleaned the air conditioners, put up new fans, built a bicycle rack and a new sign. We also worshiped with them on Sunday Morning and built relationships with people of the church. The church/community center is in a inner city situation.**

What advice would you give to other churches who might participate in a similar type project: **pretty simple: Pray, Plan, Promote, Make Relationships, Share the Gospel and go as Servants.**
