We hear at Journey of Hope Ministry wish to thank you for your \$2000 Ministry Assistance Funds that was distributed to us in January this year. Enclosed are copies of all our electric bills and food bills to 2<sup>nd</sup> Harvest Food Bank... They total to almost \$2300. We are extremely appreciative for your support during this period.

We have also included a copy of our ministry brochure for future reference.

Once again, thank you so very much

Sincerely,

Bro. Doug Mitchell & Journey of Hope volunteers
