RE: Mission Ministry Assistance Received for Nigeria Mission Trip

I am writing to thank the Concord Baptist Association for the Mission Ministry Assistance received for our mission trip to Nigeria, Africa. Our trip was February 1-10, 2012 and was possibly our most fruitful mission work in Africa. Below I have given a brief summary of our trip. Should you have any questions, feel free to call me at 615-896-6440 ext. 14.

During our trip we worked with (2) unreached people groups, located in Bauchi State. The first group is the Kir tribe – they are an active Muslim tribe that we have been working with for the past several years. It is a very difficult work, but we are beginning to see fruit from our work. One of the Chief's eldest sons has shared his desire to be a Christian (within a Sharia Law government). This tribe is VERY poor and your gift helped to purchase enough rice to feed this entire village for several months! Since receiving this incredible gift, the Chief has since expressed his desire further our relationship.

The second group is a Pagan group – the Miya tribe. We had encountered the Miya on our previous visit and they expressed openness to our returning to stay with them. On this trip we experienced many of them praying to receive Christ. AMEN! We were able to teach basic English (they have no school), offer medical assistance (filthy conditions), and show the Jesus Film on two different nights to this and neighboring villages. At the end of our trip we discussed with the Chief, the possibility of building a church within the village. He was open to this idea and your gift absolutely made this possible. The reason for my delay in submitting this report was that I was waiting on the church building to be completed in order to submit photos with the report.

As you can imagine, this is a very short detail of an incredible trip. Thanks for partnering to make it possible. Please see the attached photos. And again, THANK YOU for making this possible!

In Him,  
Bro. David Bramble
