Is this the first time the Church has participated in a mission project of this type? NO

---

*Describe the work/ministry that was accomplished by the ministry team.*

Riverdale along with four other middle TN churches provided neighborhood canvas teams for evangelism. Promoted church services in new worship space in a new church provided by our support. Minister in the local jail and hospital.

*What advice would you give to other churches who may be considering a similar mission project?*

Be willing to assist the indigenous church where they are and not try to make them a western church.
