

SOUTHEAST BAPTIST CHURCH

Loving Equipping Going

July 29, 2015

Concord Association,

I would like to take this time to express our great gratitude to the Concord Association with its financial assistance with our mission trip to Toronto, Canada on July 11-18, 2015. Thirty-three of our church members had the privilege of working with Blythwood Road Baptist Church in providing a daycamp from 9am until 4pm each day, Monday—Friday in which our high attendance was on Friday with 84 in attendance. We had the opportunity to renew some friendships with community children and church members alike. We had the privilege of seeing 5 children accept Jesus and Savior.

One of the most encouraging things and many of us noticed this year is the attitudes and hunger of the children. Four years ago, they didn't know what a Veggie Tale was and this year they were signing at the top of their lungs with the songs. One boy that had attended in previous years bought his little sister this year and was heard telling her that this camp is where we talk about Jesus. Children were asking about when Bible study was and one child was reading her Bible during rec time. One child went home and brought back her picture Bible to show her teacher the lesson they had studied that day. Another went home and YouTube'd a song we were learning to practice the moves.

We also had a life rededication from one of our young men (20 year-old). With the exception of two flat tires on the trailer, it was an awesome trip.

We also had a work crew of four that worked at the Horizon Youth Center doing roof and yard work.

This concludes the fourth year of a five year commitment we have made with BRBC.

Without the financial assistance by the Association, there would have been some individuals that would not have been able to go. Again, thank you for your partnering with us in doing God's work.

Also, Blythwood Road Baptist Church would like to expand the ministry to another week. They are seeking another church that would be willing to sponsor a week. Unfortunately, we cannot commit to another week, so I would like to offer this second week as a mission opportunity to the other churches in our Association.

In His Service,

Joe R. Vinson
