

SOUTHEAST BAPTIST CHURCH

Loving Equipping Going

August 1, 2014

Concord Association,

I would like to take this time to express our great gratitude to the Concord Association with its financial assistance with our mission trip to Toronto, Canada on July 12-19, 2014. Twenty-nine of our church members had the privilege of working with Blythwood Road Baptist Church in providing a daycare from 9am until 4pm each day, Monday—Friday in which we averaged 73 in attendance. We had the opportunity to renew some friendships with community children and church members alike. We had the privilege of seeing 5 children accept Jesus and Savior.

We also had a work crew of four that worked at the Horizon Youth Center doing roof and yard work.

This concludes the third year of a five year commitment we have made with BRBC.

The financial assistance made it possible for many of our families to go. Again, thank you for your partnering with us in doing God's work.

Also, Blythwood Road Baptist Church would like to expand the ministry to another week. They are seeking another church that would be willing to sponsor a week. Unfortunately, we cannot commit to another week, so I would like to offer this second week as a mission opportunity to the other churches in our Association.

In His Service,

Joe R. Vinson
