

Report on Summer Mission Trip for 2014

Fellowship Baptist Church

Billings, Montana

July 18-30, 2014

Stones River Baptist Church partnership with four (4) other churches from Georgia, Minnesota, California and Montana to assist Fellowship Baptist Church with a sport camp with football, basketball and soccer. In addition to the sport camp some our youth painted the parking lot, classrooms and gym of Lockwood High School. During each break of football asketball and soccer our team shared Jesus with the children in attendance. Three of our ladies prepared three (3) meals a day for over 75 individuals, work in the Clothes Closet and Food Pantry of Fellowship BC and shared the Gospel with those they served.

On Saturday following the camp the teams sponsored a Block Party for the community and had over 200 people in attendance. Our ladies shared Jesus with those that attended. Each person was given a New Testament, tracts and bookmarks. The Sunday following the camo the church had three families to join and had several since.

SRBC had 22 adults and youth to go on the trip which was funded by Concord Baptist Association and SRBC for a cost of approximate \$7,500.00.

Praise our Lord 19 children were saved during the sport camp and 9 adults during the block party

We wish to thanks the Concord Association for the support given to us to allow our church to take this.

Bro. Joe Clark

Minister of Senior Adults
